2018 School Age Summer Program

Information for our 2018 Summer Program will be sent home the middle of April.

We are currently in the planning process of our program to offer fun and exciting activities for the children.

We will be having field trips, special in-house events, and crafts/projects to keep the children busy while they have fun and learn.

As with previous years, with the continued high cost of fuel, we will make every effort to keep the cost of field trips as low as possible.

Do sign-up early since the last couple of years we did fill up. If you have any questions please contact Jenie (262) 636-8051.

Two Week Notice

Please remember with the summer approaching that if you are going to remove your child from care, we do require a two week written notice. This notice can be given to your child's teacher, Lorie, Becca, or Jenie. If you have any questions, please see Lorie.

Change of Season Clothes

The seasons are changing once again. That means it is time for you to update your child's spare set of clothes. Make sure they fit your child, are appropriate for the season, and are labeled with your child's name. If your child does not have a spare set of clothes here, please bring one in! Thank you.
